Goals: Aidan M 2, Rohan 1, Adam 1, Anthony D 1, Joshua 1 & James 1.

Playing at our home ground Zerbes Reserve against the Bullants was a very exciting affair with both team's going hammer and tong at each other in the tackling stakes. In the 1st qrt they booted the first goal and then we followed up with two of our own. In the 2nd qrt our centre clearances were inspirational which resulted in another 4 goals to us. The 3rd qrt was a real arm wrestle and we finally cracked it open with another major. In the last qrt the game opened up but we could only manage a few behinds while the Bullants kicked their second goal for the game.

Highlights for the game were many. Marcel, James and Anthony's ruck work. Aidan Rush's hard running and Conor Corbally's positional play. Reid, Ethan, Matthew, Dominic, Anthony S, James, Luke, Rohan, Oscar and Corey all doing their best to win the ball for the team. Sam's specky mark. Two superb goals to Aidan M including a great banana from the boundary with further goals to Adam, Rohan, Anthony D, James and Joshua from a tight angle. Thanks to the 4 boys, Joshua, Corey, Domininc and Marcel who volunteered for a qrt each on the interchange and many thanks to Tommy W and Lochlan who did a great job umpiring the game. Thanks also to my Ass/Coach Darren for coaching out on the ground in the manner it should be done and thankyou to his wife Leslie for filling in as T/M for Fiona and to all the parent helpers, well done. All in all a very pleasing day. Go Hills. Kieren.

Well done boys. Cheers Kieren.

The coach said: Led brilliantly by our two captains for the day in Mitchell and Simon, the 'Hills' came out firing. It was a slippery start to the game but as the grass dried out our skills came to the fore. And although it was a big ground, with 21 payers each it did make the play a bit crowded. We'll be working hard on opening up the play at training. Throughout the day we had some terrific individual performances but we also seemed able to do all the right team things as well.

Following Josh R's great performance we now have some strong competition for the coveted Full Forward position. Ryan, Vincent, Adrian, Lachie, Max and Nick were our work horses for the day and did a great job. After a long break from the game we found out that James hasn't forgotten where the goals are, and for his first game for the year Jarrod put in an awesome display. Josh W had his best game for the year and did some impressive team things. Will's second and third efforts were great to watch and Sam, Jack, Richard, Alexander, Ewan and gave us plenty of run all day.

Thanks again to all the parent helpers who make the day a lot easier. Particularly Deano and Ross.

Our real test comes this week with a local derby game against our buddies 'the teals' at Zerbes.

The coach said:

Our Round 3 game saw us playing St Mary's White at Leeds St oval in perfect conditions. We welcomed back Cooper Innes and Lachlan Spadafora. New to the team was Michael Vasilades who came to us from the Beverley Hills Sunday Auskick crew and he fitted straight in. The boys started very slowly and it seemed they were still in holiday mode. They were constantly second to the ball and most of this quarter was played in the St Mary's forward line. However, things changed in the second quarter with a complete turnaround. The boys intensity lifted substantially and they were beginning to win the ball and kick goals. A most pleasing aspect of the game was that the players were looking for team mates to kick to rather than just kick it long and hope. This meant that they were keeping possession longer and forcing the ball deep into the forward line. An aspect we do need to work on a little more is our defence. If our defenders learn to hold position and stay that kick behind play, it will be more difficult for the opposing team to penetrate into their attack. The third and fourth quarters were much the same as the second with our players running hard and putting good pressure on the opposition. Overall, the boys were great and it was the best game they have played to date. Players are improving so much and they are really listening to what the coaches are saying. Our medal winner for the day was Michael Silvaggi who worked really hard. Other players who caught the eye were Lachy Spadafora who picked up many possessions, Angus Turner who played his heart out, Kostas Pappas who showed great flair, Yianni Kazakis who showed marked strongly and the whole team who worked hard. So well done boys. Thanks to Dan Hewitt for umpiring and thanks to Stef Kazakis for stepping in and helping as Assistant Coach in Nick Prestigiacomos absence.

BULLEN TEMP 9.11.65 DEF BEVERLEY HILLS 3.0.18

The Under 10's had another tough assignment against a strong Bulleen Templestowe team at Bulleen Park.

There's no denying the boys endeavour in winning the ball, nor their work rate when the opposition has it. We're renowned for our tackling and the pressure we apply to the opposition when they have the footy. This week was no different and there were some fantastic defensive efforts by the boys!

Our skill level let us down at times and this is one aspect of our game that we continue to address and work on at training. The encouraging sign is that our skills are improving and we are definitely improving as a football team. We're slowly learning to give creative handballs, rather than handballs under pressure and we're also moving the ball quicker and playing on when we can.

Team Captains for the match were Kyah Karavasilis who played an outstanding game at centre half back, repelling many an opposition entry into the forward 50 and Chris Waycott who played his customary physical, hard tackling role, in both the backline and midfield! Well done Guys, you both played very well.

Medal winner for the day was Nic Miszczyk, who played a different role across half back this week. Nic's run and carry from half back was exactly what the team required, not to mention he managed to slip forward and kick a goal also. Well done Nic.

I should also mention the other goal kickers of Gianfranco Spadafora and Riley Shannon. Great effort guys!

Finally a big thanks to Will Phillips for stepping up from Tackers to play with the Under 10's! Well done Will you played a great game.

Next week, we're at home against an in form Park Orchards team and I know the Under 10's are really looking forward to the challenge.

Round three was always looked upon as our challenge match against nth brunswick ,as they had the edge on us last year ,plus they knocked us out of the finals . We needed a good start and with riley , max and josh getting busy early we kicked the first two goals thru zac . The backline was well led by harrison and restricted nth brunswick to 1 goal at qrt time. The game was tough and the boys were challenged but they answered by scoreboard pressure with ethan kicking 3 superb 2nd quarter goals. We were running hard and had contributors across the ground setting up good flow into our forward line and with riley , arian , zac , dylan and chris working hard the goals began to flow. The third quarter was like our second quarter with conner w ,dan , liam . P and liam d pushing the ball into our forward line with hard work and plenty of running. Riley kept his work rate at an elite level and was working well to give our boys first use . The final quarter was solid and the boys kept up the pressure with joey and ben providing hard running from defence and zac presenting well at full forward the goals began to pile up. Congratulations must go to all the boys because they worked well as a team and are reaping the rewards. To our 50 gamers in dylan and harrison congratulations and your leadership today was inspiring to the rest of the team .

Best: Callum, Tate, Jack.K, Adam, William Paul Dante Andy

1/4 time Bev.Hills 1.3.9 to 0. We dominated possession but didn't manage to have that reflected in the score. Paul, Callum and the captain, Dante were playing well.

1/2 time Bev.Hills 2.5.17 to 2.1.13. Clearly our worst quarter for the year. We didn't man up in the backline and lacked intensity all over the ground. If not for a great left foot goal by Seb at the end of the quarter we would have been behind. Callum, Jack.K and Adam were our few good players. To give respect to our opponents - they played a good quarter.

1/2 time break - coach, players and supporters not happy with our 1st half and we committed to a better second half.

3/4 time Bev.Hills 4.7.21 to 2.1.13. Our efforts improved from the outset and it was great to see Nick W. score a goal. All over the ground our run and intensity increased. Nick D added another goal to finish off the work of Callum, Tate, William and Andy.

Last quarter - The Hills boys wanted more of the same and met the coaches target of 4 last quarter goals. Bailey, Andy, William, Tate, Johnny and David gave us plenty of drive. This was finished off by Jordan, Callum and Nick.D.

It was a great 2nd half to respond to the challenge that we were faced with. Kicking 6 goals and holding our opponents scoreless was a dominant display. The first half was getting rid of the Easter cobwebs, having not played for 3 weeks.

Happy Mothers Day to all the Mums!

The coach said:

A To Charlie and the boys, you will have your Coaches comment every week by Monday night from now on.

In Rd 3 we played St Marys away and were prepared for a solid game. The first half was very even with St Marys playing the slightly better football. Our back six of Ryan, Lucas, Hayden, Josh V, Mitchell and Isaac made life really hard for the St Mary's forwards and restricted them to 2-5 at half time. At the other end we were a bit sloppy at times but when we got clean possession we capitalised to kick a respectable 5-2 and have a 15pt lead at the half.

At half time we talked about defensive pressure and not allowing St Mary's to have time and space to move the ball forward. To the boys credit they responded like a quality side and totally dominated the second half. Our on ballers gave us first crack at the ball led by Charlie and Tristan with Lachie tapping the ball to our advantage. With our back six still standing tall it bought our forwards alive with continual delivery into the forward 50. Tim, Ben and James created lots of run through the middle of the ground and with Tynan and George presenting well and creating opportunities ahead we had a dominant second half, kicking 10-8 to 0-1

I have asked the boys to play a very taxing style of football this year wich includes a lot of running, and to theier credit they are trying very hard to carry out the game plan. All boys must remember that a team is only ever as good as the efforts of individuals that make up that team. If we all do our bit we will become better players and a much better team.

To the boys you are doing a great job, keep training hard and enjoying your footy.

Congratulations

BEVERLEY HILLS JUNIOR FOOTBALL CLUB

APPLIES FOR LEVEL THREE ACCREDITATION IN GOOD SPORTS PROGRAM

Date: 12/04/2011

The Beverley Hill Junior Football Club is displaying commitment to responsible alcohol management with an application for Level Three accreditation under the Australian Drug Foundation's Good Sports program.

Good Sports is the first nationwide alcohol management program of its kind and is supported by VicHealth, the Traffic Accident Commission (TAC), the Department of Health and Department of Health & Ageing. The program was developed following research conducted by the Australian Drug Foundation which indicated that by introducing responsible alcohol management policies, clubs were able to improve membership and enhance viability.

The club is determined to meet the criteria required for the Level Three accreditation.

We now have a written alcohol management policy which includes the sale of low alcohol drinks and soft drinks and a safe transport strategy to ensure our members get home safely. We will provide food when serving alcohol and we will not have an emphasis on alcohol for player awards or fundraising, functions and prizes.

We are confident our efforts will continue to improve the environment at the Club. We are working to ensure the Beverley Hills Junior Football Club is a great place to play and socialise for all members of our community.

The club will be regularly monitored to ensure we comply with the program. This is the responsibility of all members to make sure we do the right thing while we're enjoying ourselves and having fun.

For more information about the accreditation program visit our Club web site:

Beverly Hills 14-9-93 def Doncaster Heights 7-3-45

A mild overcast day at Leeds St for our Round 3 clash against our neighbours, Doncaster Heights. The boys always look forward to playing some of their mates in the local derby (and that's pronounced daaarrrby; not derrrrry like they say out west) each season. It's always a physical game and this one was no exception.

The boys got away to a good start by kicking the first goal but Donny Heights quickly evened the score. Getting first use of the ball out of the centre we were able to create opportunities up forward. With our forwards working hard, and Kyle seeing plenty of it, we went to quarter time with a handy lead.

The second quarter saw the boys remain in control by putting pressure on their ball carriers. Josh started to show his strength in the ruck with some monstrous hit outs while Sam was starting to make his presence known with some strong marks around the ground.

The third quarter saw more of the same. Some great run and carry from the likes of Callum, Ed and Andrew; and Matty B hard at the ball as always; our boys continued to dominate. Our backline remained tight, with Mitch becoming a problem for them and our forwards made the most of every opportunity. Carl played with discipline by sticking tight to one of their top players, reducing his impact on the game. By three quarter time our boys had pretty much put the game out of their reach.

A couple of lapses in concentration early in the last quarter saw Donny Heights reduce our lead. To our boys' credit they were able to get things back on track and run out convincing winners.

All in all, a very good team effort where everyone contributed.

Thank you to Charlie for helping out after a late withdrawal.

A big challenge next week against Bulleen Templestowe; another undefeated side. Nothing but a full four quarter effort will be required.

Beverly Hills 6-8-44 def Banyule 3-5-23

A win is a win. Banyule had their tails up and gave a good account of themselves. They had lots of motivation for the game, and it took some good old fashioned gut running in the last quarter to put them away.

James was a rock at full back, and early, the ball was getting back there often and fast. Scott ran hard on ball and gave us first use, working well with Max and Brodie. Harry coming off the half back flank to give us great run and then onto the ball for some good clearances. Great job.

Welcome to our new team members. Manny, Jules and Stasi. Manny was so fast on the wing, he dropped his opponent easily, giving us a great option to kick to. Jules ran hard to the competition. Stasi, in his first game back, held a key position and gave a good effort switching into the ruck. Well done.

Tim played a great utility role and did everything that was asked of him. Ben G came out to the half forward flank and gave us some real run and contest at the ball. Will Maz started on the wing in the last quarter and slipped into the back line to give us some extra drive forward.

We struggled with our structure and had to go man on man in the back line. A goal each in the last quarter to Scott, Brodie and George, gave us a win.

We need to run as hard as we did in the last quarter for four quarters in the next game. Start with enthusiasm from the first bounce, paying attention to our structures and team rules. We will then be in a much better position. This must be our goal and focus for the next match.

Thanks to our 12's this week.

Beverley Hills 22.25.157 def Camberwell 2.4.16

After a two week break which seemed forever we headed to Lynden Park to play Camberwell on a ground which seemed longer than the MCG.

Camberwell were sitting on the bottom of the ladder so it was important that the boys were focussed from the start.

The large ground suited our style of play and from the bounce we ran and moved the ball well and consistently went forward inside 50 throughout the game. A number of the boys lined up in unfamiliar positions and it was great that they all accounted for themselves well.

What was most pleasing was that the boys continued to do the one percenter's despite the score for the whole game.

Highlights of the match included:

Flashing runs from defence by Jack

Strong overhead marking from Lachie Burns, Conor, Darcy, Brandon and Ben

Multiple goal scorers

Willingness of the boys to share the ball with eachother

Centre ruck and clearance work

I am sure all the boys felt good to be back.

Thanks and well done to Lachie Wintle who filled in for the Under 15's.

The coach said:

After a couple of weeks break, the boys were eager to get out and about and play some footy. Having started off the season unluckily the team viewed this as a perfect chance to kickstart our campaign.

We got on top early, reaching our contested ball and key performance indicator targets but unfortunately were unable to put scoreboard pressure on as for the second game in a row kicked inaccurately to see us trail at quarter time by just over 3 goals.

The second quarter the boys moved the ball with more precision and more directly which saw us gain some control of the game back, and coupled with converting our chances saw us go into halftime trailing by a goal.

The third quarter was a tightly fought contest as both teams tried to gain an ascendancy of the other, and our toughness at the footy was second to none as we endeavoured to push our opposition to line.

In a spirited last quarter performance, the boys were harder at the football, kept to our structures and all in all were that determined to win which resulted in a Hills victory by 9 points.

This week sees us travel to Preston to see if we can make it two in a row. Go Hills!

Congratulations
Jonathan Henshaw
