The coach said: Match Report: TACKERS DAY.

Goals: Anthony D 1, James N 1, Oscar S 1.

A terrific day was had by all at the monster Tackers day last Sunday at Bulleen. We had four interesting games with 1 win, 1 draw and 2 losses. All the boys tried their best and had a lot of fun which is what its all about. The boys never dropped their heads after the first two games against bigger opposition, we drew our second game and our last game was a beauty with every player determined to win that last game. By being first to the ball and staying in your positions we played at our best and got up against a bigger stronger team. Really good effort boys. Steve Turner and his Tackers Teal team set up camp with us and Warren Lyall did a magnificent job with his BBQ looking after both teams with a sausage sizzle and egg and bacon muffins. Thanks Wazza. Thanks again to Fiona who also provided treats for the kids and to Darren and all the parents for helping keep the kids in order between games. We turn our attention to this Sundays game against Nth Brunswick where we aim to carry on our good form. Lets all get to training this Friday and have some more fun while training hard. Go Hills. The coach said: Led brilliantly by our two captains for the day in Mitchell and Simon, the 'Hills' came out firing. It was a slippery start to the game but as the grass dried out our skills came to the fore. And although it was a big ground, with 21 payers each it did make the play a bit crowded. We'll be working hard on opening up the play at training. Throughout the day we had some terrific individual performances but we also seemed able to do all the right team things as well. Following Josh R's great performance we now have some strong competition for the coveted Full Forward position. Ryan, Vincent, Adrian, Lachie, Max and Nick were our work horses for the day and did a great job. After a long break from the game we found out that James hasn't forgotten where the goals are, and for his first game for the year Jarrod put in an awesome display. Josh W had his best game for the year and did some impressive team things. Will's second and third efforts were great to watch and Sam, Jack, Richard, Alexander, Ewan and gave us plenty of run all day. Thanks again to all the parent helpers who make the day a lot easier. Particularly Deano and Ross. Our real test comes this week with a local derby game against our buddies 'the teals' at Zerbes.

The coach said:

Last Sunday saw us at Bulleen Park for Tacklers Day 2011 on a cool but dry day. As Beverley Hills Red was playing on the oval next to us, both Kieren and myself decided to set up a base for both sides to enjoy a sausage and drink between games. We had 4 games for the day that were against Doncaster W, Surrey Park B, Heidelberg Y and St Marys. Our boys were fantastic on the day and continued to share the ball around with there team mates. Our first game aginst Doncaster was challenging as they had some big and talented boys. However, our boys played some great football. The medal winner was Jayden Di'Damico who is improving every week. The second game was against Surrey Park with our boys switched on from the start. The boys moved the ball very well. The medal winner was Cooper Innes who played his best game so fat this year.

We then played Heidelberg and again went well. The medal winner was Darcy Hewitt who also played his best game so far. Finally, we played St Marys which is always a hard game but again our boys were sensational with the medal going to Paddy Horvath who ran hard and kicked long. It was a great day and evryone had fun.

HEIDELBERG 7.10.52 DEF BEVERLEY HILLS 1.1.7

It was always going to be a tough assignment playing a Heidelberg team that had averaged over 20 goals in its previous 4 matches at their home ground. It was made just that little more challenging when flu swept through the team causing 2 players to pull out before the match and a further 2 players not feeling 100pct when the umpire bounced the ball.

To the teams credit they focussed on all of the aspects we discussed before the game, such as tackling, shepherds and playing man on man footy!

Once again our tackling and endeavour couldnt be questioned, however the first quarter saw our backman playing a little bit looser than we would've liked.

Our back line certainly tightened up after quarter time, and we also improved our ball movement and disposal around the ground. The third quarter was definitely our best for the day where we restricted the opposition to just one goal in the quarter! A mighty effort considering the scoring power of Heidelberg.

Captains for the day were Vihaan Narayana who once again showed us what a classy player he is in the midfield and across half back and Cody Burns who played with great determination and his height gave us a target to kick to around the ground! Great match guys!

Medal winner was Vihaan who is an asset in the midfield but also a fantastic reader of the play across half back! Well done again!

A special mention also to our goal kicker, Nic Miszczyk who kicked our only goal for the day with a brilliant individual effort! Well done Nic!

Thanks again to all the Parents that helped on Sunday.

Week five saw a new face at the club in Marcus. K as well as a new venture for the boys in gold division. After a strong pre season followed by 4 impressive wins in brown it was time to venture forward and see what gold division was all about. We played Banyule away and the standard was already something different. The pace of the game and the intensity seemed to surprise us and we seemed to struggle to move the ball forward with ease . After a strong struggle we managed to go forward and with Lucas created our first goal . The second quarter was as the first , both teams struggling to get free flow in their game and scoring opportunities were limited for both teams . We managed to kick a late goal thru Dan giving us a 4 point lead at half time . The ground was heavy and the players were struggling to adapt to the conditions . Pressure was mounting on our back six and as the quarter got longer it started to get harder to move the ball forward . A lapse in concentration gave Banyule 3 goals in 6 minutes and with their supporters getting vocal the task was their to take. The final quarter was played in our half but we found it difficult to create options to score . Finally we managed a goal and with this we started to push hard , however Banyule started to push players back crowding our forward line . The final score did not reflect the game as we managed to win 3 quarters of football yet still managed to loose the game . Our first game in gold will hopefully be a start of a massive learning curve were the boys need to learn from their mistakes and improve as a team , as parents and coaches we wish the boys all the best and at the same time provide support and encouragement. Remember boys you didnt get to gold by default you earned it and we are all proud of your achievements thus far.

Bev.Hills 4.8.32 d Warrandyte 3.4.22

Best: Lachie, Johnny, Paul, William, Andy, Lucas, Nick.W, Seb.

Goals: Nick.D 2, Nick.W 1 Seb 1

Back to our home ground against Warrandyte. Despite their winless start to the year we expected a close game.

1/4 time Bev.Hills 0.1.1 to 1.1.7.

We actually started well but could not get past their wall of good players across our half forward line. Lachie, Johnny, William, Sam and Jack.K played well.

1/2 time Bev.Hills 1.1.7 to 2.3.15.

We were outplayed by a team that wanted the football more than we did. They were prepared to work harder. Nick.W attacked the ball late in the quarter, took on the defenders and slotted a good goal to give us hope. Sam and Paul had a good quarter.

3/4 time Bev.Hills 3.7.25 to 2.3.15

We came out a different team and kicked 2.6 to 0. Lucas showed us what he is capable of, taking several great marks and getting plenty of the ball. Nick D. finished off the great work up field by Lachie, William, Paul. Our back 6 of Adam, Hayden, David, Jack, K, Seb and Ash were all solid.

Last quarter. We kicked 1.1 and they got a late goal. Credit to Warrandyte, they could have given up but kept putting in. Nick.W from a mark set up a running Seb, who slotted a nice goal. Lachie and on our onballers finished well as did Johnny on the wing.

This was a hard fought win and we dug deep in the third quarter when the game could have slipped away from us.

We need to start our games in that fashion.

The coach said:

The most enjoyable part of coaching a junior side is to see the kids listen, learn and execute instructions.

So after a week of demanding that we play a more team orientated brand of football by winning all contests, running hard to space and getting the ball to the free players who have worked hard. I was the happiest coach in the world 20 secs into our game on Sunday. Ruckman hits the ball down to midfielder who is about to get tackled. A quick handball to a fellow midfielder in space who runs and draws an opponent. He handballs over the top to the half forward who has run into space, he gathers a well weighted handball and runs before kicking long to the top of the goal square where the full forward marks and goals.

That was repeated in many different ways throughout the day.

Boys you have now seen the two types of football that you can play. The "I" can do it myself style or the work for each other and share the ball style.

Every player on the ground was fantastic on Sunday and we did not have a player lose to their direct opponent overall on the day. Boys I hope you will keep backing yourselves and be prepared to play one on one footy and beat your opponent for the day.

If you can run as fast as you can for 10m today, tomorrow you should be trying to run 11m as fast as you can!!!

Every person should strive to be the best they can!!

Go Hills!!!dividual.

BEVERLEY HILLS JUNIOR FOOTBALL CLUB

APPLIES FOR LEVEL THREE ACCREDITATION IN GOOD SPORTS PROGRAM

Date: 12/04/2011

The Beverley Hill Junior Football Club is displaying commitment to responsible alcohol management with an application for Level Three accreditation under the Australian Drug Foundation's Good Sports program.

Good Sports is the first nationwide alcohol management program of its kind and is supported by VicHealth, the Traffic Accident Commission (TAC), the Department of Health and Department of Health & Ageing. The program was developed following research conducted by the Australian Drug Foundation which indicated that by introducing responsible alcohol management policies, clubs were able to improve membership and enhance viability.

The club is determined to meet the criteria required for the Level Three accreditation.

We now have a written alcohol management policy which includes the sale of low alcohol drinks and soft drinks and a safe transport strategy to ensure our members get home safely. We will provide food when serving alcohol and we will not have an emphasis on alcohol for player awards or fundraising, functions and prizes.

We are confident our efforts will continue to improve the environment at the Club. We are working to ensure the Beverley Hills Junior Football Club is a great place to play and socialise for all members of our community.

The club will be regularly monitored to ensure we comply with the program. This is the responsibility of all members to make sure we do the right thing while we're enjoying ourselves and having fun.

For more information about the accreditation program visit our Club web site:

Beverly Hills 13.12.90 def Kew 2.3.15

I've spent a bit of time trying to come up with some words that best describe Sunday's game. I managed to come up with one.....

WOW !!!

(I managed to come up with another one, it's actually two words, but I'll get shot if I print it)

Yep, WOW will have to do.

Finally back at Zerbes for the first time this year, we were due to play Kew.

Before I begin, a little background on our history with them.

First of all, we have never beaten them. Ever!

In the early days we were always competitive. We almost beat them in the 2nd Semi final in U10's and then put up a good show in the Grand Final. But things started to change in U11's. Almost 2 years ago to the day we hosted them at Zerbes; we didn't score. The next time we played them (early last season) we saw an improvement. We kicked 1 point. That's right, in 2 games of footy we had scored a total of 1 point!

Our last encounter with them was Round 16 last year. This was a turning point. We went down by a couple of goals, but it was the game that proved to the boys that they could match it with them.

So, Round 5, 2011..... what lay in store.....?

It was important to start well. We did, kicking 3 goals to none in the first quarter.

Getting the ball out of the centre, moving it well with great run and carry and doing all the little things that win you a game of footy. Good start, but 3 quarters to go, and Kew would bounce back.

2nd quarter – Kew didn't bounce back; our boys wouldn't let them. Every time they had possession our tackling pressure was enormous. With Pat running like a man possessed, and Ferg scouting the ruck with the help of some precision hit outs from Josh, we continued to dominate. Kaka, a focal point up forward, was proving very difficult to stop. Four goals to one and we had a 39 point lead at half time.

3rd quarter – Surely not more of the same...? Yep.... 4 goals 2 to 1 point.

All over the ground it continued. Ed running up and down a wing, doing the team things, Jake back in form in the back line attacking the footy, Sam doing what Sam does and Carl again doing the job of nullifying one of their better players.

4th quarter – Not as good as the first three, but finished the game off kicking 2 – 6 to 1 – 3. Kaka finished with an amazing 7 goals. THE REST ON THE WEB!!!!

What a hard game. The last quarter was what we were looking for. They came hard in the first half and our defence stood firm. Midfield got back and once we were able to rest the ball forward, our structures started to show through.

The last quarter was gritty and determined. You should all be very proud of yourselves. Something to work on for this week is to look up for a target before disposing of the ball. Talking will help to give us the time we need to do this. Well done to all of you. You responded well to instruction in the last quarter when it really counted, and you came away with a hard fought win. Good on you.

This week we faced last years runners up Glen Iris. We knew it was going to be a tough encounter and thats how it eventuated into a tight match. Both sides played with good spirit and were committed to the contest for the whole four quarters. The final result did not give a true indication as to how close and how hard the game was. In the end we won by 45 points but it was hard work against quality opposition.

We still have some areas that need improvement but overall it was a good team effort and outcome.

Match highlights included;

Defenders creating scoring opportunities

Forwards capitalising on inside 50's and their defensive pressure

Running Play by Dean Darcy Riley F James and Aaron C

Goal scoring and assists from Lachie W and Conor

Even contribution from the remainder of the team

The coach said:

An undefeated Boroondara faced us as we arrived at Zerbes last Sunday and the boys knew they would be in for a tough game.

As the first quarter got under way we were intimidated and always found ourselves being second to the ball as Boroondara kicked out to an early lead at the first break.

The second quarter the boys stuck to their structures alot better and although Boroondara were still ahead, we began playing some of the football that we want to play.

The third quarter we were able to match Boroondara around the ground but unfortunately they began converting their inside 50s and putting on scoreboard pressure.

The last quarter the boys fought hard to keep the pressure on Boroondara however on the day they were a bigger bodied and better football side and came away with a comfortable win. It was an encouraging performance by everyone as they were able to see first hand the sort of level we are looking to play at.
