The coach said: Round 8 vs Park Orchards B. Captains: Corey Parker & Ethan Holland. Medals: Connor Mason-Jones & Sam Hassett-Smith. Goals: Anthony Dell'Orso 3, Adam Heward 1. After a competitive training session on Friday the boys carried it over into their warmup before the game and BANG the boys played their best overall team game for the season so far. I don't care what all the armchair Dr Freud child psychologists say, I reckon all kids want to do is compete, try and win and enjoy the way they play by improving their skills along the way. I was absolutely delighted how you all hunted the ball in packs, tackled strongly, kicked the ball as a first option, played in front and stayed in your positions in the backline "Like soldiers on a winters night with a vow to defend". (First to tell me what song that line was from and the singer and you will win a Mars bar !!). It doesn't matter what age group you are playing, if you do the things I just mentioned you will always be competitive. You may not always win, but you will always make the other team feel like they have played a game of footy and so will you. Footy is three things. Keeping possession of the ball when you have it. Getting the ball off the opposition when they have it and when the ball is in dispute, like when the umpire has it, making sure you get it first when its back in play. To do those things all 18 players on the ground have to be committed to those same objectives. Is this U/9's Tackers football I'm talking about. You bet it is and from all the games I saw on the weekend it's the same across all age groups right up to AFL. Enough of the lecture !! No individuals to mention this week boys as it was a super team effort. We all know who may be the better, stronger players in the team but when other boys take their first strong mark, execute a perfect handball or make their first tackle or even get tackled strongly and get straight back up or even kick their first goal gives Darren, Fiona and I such a thrill. Remember to enjoy every game that you play, enjoy every training session you have because its all about trying your best, having fun and being good mates wether you win, lose or draw.

 What a game! Clearly the greatest challenge we've had so far. It was a real test for our defensive game and I expect many players learnt a lot about football in this one hit out. We had some terrific defensive efforts from Josh Warren, Max Thompson and James Menta. Lots of run and set up from Jarryd, Lach, Vincent and Mitch with some important goals from the usual contributors. A highlight for the day was one of the most spectacular marks you will ever see in a tackers game, taken by Will in front of the goals. A real specky!
 It was also great to see Josh Rallakis and Lachie Godden battle it out in the ruck, giving us first use of the ball. Simo, whilst unaccustomed to playing in the defence did a good job for us and special mentions to Jack Trask, Alexander Hocking, and Nicholas McLarty who also played important roles. This coming week we face Park Orchards R at our home ground at Zerbes Reserve. See you all there 9.15am Sunday.

Last Sunday saw our boys taking on Doncaster Heights. The game proved a real challenge for our boys and they did try very hard with the opposition playing good football. The boys are improving there style of play every week and are trying to help each other with shepherding and handballing. We will continue to work on bringing these plus other team orientated skills into our game so we can create lots of space in our games. The medal winner for the day was Stephen Kazakis who played a sensational game. He kicked 2 goals and continually won the ball and his game was the best I have seen from him. Well done Stephen. Other good players were Lucas Decesare who had a heap of the ball, Cooper Innes who improves every week, Paddy Horvath who really throws himself at the ball, Alex Greaves who shows great determination, Kostan Pappas whose kicking skills are improving all the time and Nick Prestigiacomu who was dangerous in our forward line.

A small criticism on our game is that our defence can sometimes let us down which enables the opposition to get goals too easily. Lets work hard on this boys and stop the other team scoring.

Lets all get to training this week and train hard before our next game.

This was clearly our best game of the year!

SHEPHERDS - TICK!

CREATIVE HANDBALLS - TICK!

RUN TO RECEIVE - TICK!

MAN ON MAN - TICK!

PLAYING ON - TICK

QUICK BALL MOVEMENT - TICK!

Every week we've tried to improve on these areas and this week you could really see the improvement.

The boys have clearly grown in confidence and no longer feel the need to just kick the ball whenever they get it. We're now sharing the ball more often and we also provide shepherds and blocks to the ball carrier when they're in a better position. We're playing much smarter, team orientated football!

We were 3 points down at 3/4 time and despite kicking against the wind in the last quarter, we managed to kick the first goal of the last quarter to go 3 points in front. The wind, however was too strong and Camberwell eventually ran out winners by just 7 points in a really competitive and hard fought contest. Congratulations boys, you did yourselves and your Parents and Supporters very proud! (Not to mention your Coach!) Captains on the day were the human tackling machine Christopher Jacovelli, who goes where angels fear to tread and Jack Duckworth who played his best game for the year, marking everything that came his way across the wing and half forward line and set up a goal with a great pass in the third quarter. Jack was also one of our medallists for the day due to his superb effort. The other medal recipient was Riley Shannon who competed tirelessly in the ruck in the first half, giving us first use of the ball and not allowing the opposition to get a clearance, and then in the second half Riley became a focal point for us at full forward! Well done guys - A great match by all of you. Thanks again to all of the volunteers! Go Hills Matt Russell

Today's game was against the top team and sometimes the scoreboard doesn't fully reflect the actual effort and endeavour being displayed by our boys. We went into this game unaware of the massive size difference that exists between us and Kew however that didn't stop the boys from giving their all and to come in at quarter time with the scores level was a huge bonus for our boys. We put a lot of emphasis on learning from our previous weeks mistakes and this week it was great to see an improvement in our marking the ball. The further the game went the stronger Kew was able to get control of the game and their talls were becoming a problem for us. Some individual efforts need to be highlighted with a magnificent smother from Riley in the 3rd quarter, some great work in defence from Dylan and Arian, some super running from Ethan, Conner, James and some big steps taken by David, Cooper and Marcus in their developments with the club. We need to put the efforts into training and learning from the oppositions strengths as we search for our first win in gold. Standing from the sidelines that achievement may soon be around the corner.

A good test for the boys this week as we played a side that came out and really took the game to us. Our backline was under pressure early and really stood up to the challenge well.

The team play on display was as good as we have had this season. Tynan handballing and running ahead to receive was great to watch. Lachie set up two goals with great hands and a great pass to an open forward.

Our running players are really starting to run hard and find space with the ball carriers looking long or wide to find open targets.

Again this week we have another tough challenge with Canterbury and us hoping to push into the top two on the ladder. I hope all the boys keep to the team disciplines and play team football.

At the end of the season no one will remember who kicked the goals, but if you play as a team you will all be remembered for the great way you play your football.

Go Hills!!!

Well done Tynan!

Bev.Hills 2.9.21 drew with Ashburton B 3.3.21

Best: Ash, Ryan.O, Johnny, Will.G, Dante, Andy Goals: Josh D. 2

After our great performance in round 7, we were confronted with our first really windy day. Our warm up showed it would be a challenging day hitting targets.

1/4 time Bev.Hills 0.3.3 to 0.1.1

Against the wind we fought hard and won the quarter. A couple of set shots missed the target. Across half forward, Ryan O. and William were in everything. Dante, Jack C. (in his 50th) and Andy were busy.

1/2 time Bev.Hills 0.5.5 to 2.2.14

Last week our second quarter to the scoring end set up the win. This week we sat back, expecting the wind to be first in for the ball, kick it forward and even man up. One of their goals from a 4 on 1 in their forward line illustrated our lack of accountability. Ash and Andy played well.

3/4 time Bev.Hills 0.6.6 to 2.3.15

A deserved spray at half time and refocus saw us return to a better style of play. Johnny on the wing, Hayden and Jack.K down back gave us drive.

Last quarter. We were in everything. Josh.D kicked our first goal. The next bounce summed up our poor decision making. No onballer was on the defensive side at the bounce, they cleared it and goaled. A credit to our team they kept coming, Josh D. goaled again. We thought we had hit the lead but his next shot was touched which tied the game. Ash across half forward, Tate, Paul, Wiliam all kept going. Dean played a team role by filling the defensive hole. A draw all up was about a just result.

Congratulations

Johnny Gates

Beverly Hills 8-3-51 Def Surrey Park 4-6-30

Perfect weather albeit a little windy. Surrey won the toss and didn't they take advantage of it. 4 goals in the first quarter with the wind.

Jules and Harry sick at home, and at this stage they might have counted themselves lucky.

We had planned for three or four interchange players, but were now down to one. Thankfully some of our squad who were meant to be resting showed up to lend support, and jumped at the chance to help out with the numbers.

So for the first time this year we had three on the bench and were able to get some of our runners of for a minute or two. Now we know we're fit, but Zerbes kind of let us down in the second. The wind dropped, but we still kicked two.

Half time, line coaches, and players were up and about, and the third was hard run and fought, two more goals.

The last, FOUR goals. "Now we're running in numbers", numbers at the ball. We are running harder now than in the first, always someone to give the ball onto. Looking up for a team mate, and running to a better position to receive.

Tackles, shepherds, blocks and smothers around our target in each quarter. Thanks to Josh on stat's, and Andrew.Jackson on the boundary line again.

After such a great start for our opponents, we held our nerve and chipped away. Fitness? Desire? Belief? Commitment!!

Thank you Parents one and all.

Beverly Hills 12.5.77 def Park Orchards 6.6.42

We ventured out to the paddock at Park Orchards for the second time this year on a cool and windy day which favoured one end considerably.

The game was a tale of two halves.

First half was an ordinary. We were continually second to the ball and were not accountable. It wasn't so much that Park Orchards wanted it more we just didn't want it bad enough. Again a few of the boys expected others to do the hard things and one percenters. By pure luck we took a small lead into half time.

After a reality check in the rooms at half time the second half was by contrast a different side. Our effort, intensity and work rate and BELIEF increased as ALL THE BOYS began to contribute to our team targets and we played in the way that we know we are capable of. We continued this in the last quarter and eventually ran out winners by some 35 points against an opposition who never stopped giving their all.

The second half proved yet again that when we are prepared to work hard and look after each other and all play disciplined football as a team that the results will more likely than not be positive.

This week St Marys away always a true test. Lets be prepared and focussed for the whole four quarters.
