

Apparel Co-ordinator

Emma Gelsuminie

My two boys have been involved with BH's since 2005 and will be U11& U14 season 2010. My husband and I love to be part of the boys footy and have found helping out each week to be a very rewarding experience. Last season I was Team Manager for U10's and hubby was the runner for U13's. I look forward to doing my bit to contribute to the boys enjoyment of the game and help make our club something that the kids and families of Beverley Hills can benefit from and be proud to be part of.
