

Social Co-ordinator

Lyndall Rice

My name is Lyndall Rice and I am looking forward to a great year of football for our kids next year. I have a son, Brandon who loves his footy and is keen to get back into a new season after spending a few years away.

I have just returned from Malaysia where I spent many hours organizing events through the Australian International School that my son and daughter attended for 3 ½ years. I enjoyed my position as Vice President of the Parents Association at the school and I hope, as the new Social Co-ordinator for BHJFC I can bring some of my experience that I gained whilst overseas to good use.
