

2023 Child Safety Commitment Statement

Child safety and wellbeing is a key priority of the Beverley Hills Junior Football Club and we hereby declare our commitment to creating an environment that is safe and welcoming for all children and young people to participate in Australian Football.

To achieve this, our Club is committed to implementing the Victorian Child Safe Standards through our Commitment Statement on Child Safety, the Club's Child Safety & Wellbeing Policy, Code of Conduct, Complaints and Reporting Procedure policies. These policies and procedures when applied in practise at our Club will help meet the requirements of the Victorian Child Safe Standards and will:

- **Establish** a culturally safe environment in which diverse and unique identities and experiences of Aboriginal children and young people are respected
- **Embed** child safety and wellbeing in organisational leadership, governance and culture
- **Empower** children and young people so they know their rights, participate in decisions affecting them and are taken seriously
- **Inform** and engage families in respect to child safety and wellbeing
- **Ensure** that equity and diversity is upheld through our policies and practices
- **Engage** volunteers and officials to ensure that they are suitable to work with children and young people
- **Respond** to complaints and concerns promptly, thoroughly and with a child focused approach
- **Educate** staff, game day personnel and volunteers to provide them with knowledge and skills how to create a safe and welcoming environment for children and young people at our Club
- **Understand** and mitigate the risks to children and young people in physical and online environments
- **Review** and improve our child safe policies, procedures and practices regularly
- **Role model** behaviour and actions documented in policies, procedures and practices guiding how our Club is safe for Children and Young People

Our Club has zero tolerance to any form of child abuse or harm and will act quickly and in the best interest of the child or young person should an allegation of harm or abuse occur.

This Safety Declaration Statement will be continually reviewed and as a minimum annually.
